### Is It Night or Day?

### The Snowy Day

Activism, Inc. introduces America to an increasingly familiar political actor: the canvasser. She's the twenty-something with the clipboard, stopping you on the street or knocking on your door, the foot soldier of political campaigns. Granted unprecedented access to the "People's Project," an unknown yet influential organization driving left-leaning grassroots politics, Dana Fisher tells the true story of outsourcing politics in America. Like the major corporations that outsourced their customer service to companies abroad, the grassroots campaigns of national progressive movements—including Greenpeace, the Sierra Club, Save the Children, and the Human Rights Campaign—have been outsourced at different times to this single organization. During the 2004 presidential campaign, the Democratic Party followed a similar outsourcing model for their canvassing. Fisher examines the history and rationale behind political outsourcing on the Left, weaving together frank interviews with canvassers, high-ranking political officials across the political spectrum, and People's Project management. She compares all of this to the grassroots efforts on the Right, which remain firmly grounded in communities and local politics. This book offers a chilling review of the consequences of political outsourcing. Connecting local people on the streets throughout America to the national organizations and political campaigns that make up progressive politics, it shows what happens to the passionate young activists outsourced to the clients of Activism, Inc.

### Because of Mister Terupt

Three kids venture to the North Pole to help Santa defeat an army of evil elves in this holiday classic from the brilliant mind that brought you *The Fantastic Flying Books of Mr. Morris Lessmore*. Art Atchinson Aimesworth—inventor, crime fighters, and all-around whiz kid—journeys north with his sister, Esther, and his pal Spaulding, by special invitation from Santa himself. Why did Santa call them to the North Pole? Art wants to know. But when Esther is taken by the Queen of the Dark Elves, Art must put his questions aside and save his sister. This reissue of William Joyce's epic Christmas adventure now comes complete with lift-the-flap letters from Santa himself!

### **Activism, Inc.**

This holiday season, four bestselling authors give the gift that keeps on giving: gripping tales of special agents in a covert agency, out to protect the innocent . . . by any means necessary. *Snowball's Chance* by Cherry Adair-Kendall decks the halls, unaware that a serial killer has her on the top of his list. Of course, being naughty with the sexy good guy sent to protect her would be so nice. *Santa Slave* by Leanne Banks—After her best friend disappears, Hilary takes matters into her own hands and finds herself caught in the throes of danger, while a hunky male operative hopes to mix pleasure with business. *Runaway Santa* by Pamela Britton—Biologist Kaitlyn Moneypenny's research is finally leading to a big scientific breakthrough . . . and mortal peril. When bullets start to fly, so do the sparks between Kaitlyn and her Santa-clad rescuer. *Killer Christmas* by Kelsey Roberts—When several Santas are murdered at a swanky department store, the new CEO, Meghan Beckham, had better watch out, had better not cry—because a serial killer has come to town. From the Paperback edition.

### **A Snowball's Chance in Hell**

A law in Severance, Colorado makes it illegal to throw snowballs.

### **I Survived the Sinking of the Titanic, 1912 (I Survived #1)**

George Orwell (born Eric Arthur Blair), was one of the most prolific English authors of the 20th century. *Animal Farm* is one of his most celebrated works.

### **Take a Chance on Me**

The adventures of a little boy in the city on a very snowy day. On board pages.

## **The Snowball System**

Could it be the night before a Snow Day? It's nighttime and snow is falling hard. Will the town be snowed in? Will there be a snow day? Odds are looking good in this newest Night Before book for the kids who dream of snowball fights, sledding, and the possibility that it may snow again tomorrow!

## **Animal Farm**

Shows how to build entire snow families with the help of household items and identifies the unusual objects that the author used to build her own imaginary snow people.

## **About A Snowball's Chance**

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.

## **Snowball In Hell**

Brain freeze from a snowball triggers an idea for her invention report. Enthusiasm drives Zelma Key to research it the old-fashioned way - at Twice Sold Tales - where she butts right into a mystery. The smell of manure and words bursting in air persuade her that the shopkeeper needs help. Nice old Mr. Henry is threatened by a grubby man who says he purchased an unpublished book, but never received it as promised. The septuagenarian bookstore owner doesn't remember doing any such thing. He has three days to deliver it. But his memory is so sporadic; he doesn't remember he has a problem or a deadline. Eleven-year olds Zelma and Max share a secret. They see phenomenon, invisible to everyone else. They pool their brain power and phenomena to locate the missing book or prove dirty politics are behind the threat. What do a statue, fertilizer and a rosette have to do with Mr. Henry's enigma? See how Zelma and Max apply smart technology, retro toys, snowballs and colors to unravel the puzzle. **WARNING:** contains real factoids. This story is set in New Orleans and is flavored with genuine characters and locales. "Introducing the Phenomena Series"

## **New Scientist**

"Readers will be riveted by this genuinely scary holiday phantasmagoria."- Publishers Weekly A group of motorists become

stranded on a lonely stretch of highway during a Christmas Eve blizzard and fight for survival against an unnatural force in the storm. The gathered survivors realize a tenuous connection among them means it may not be a coincidence that they all ended up on this highway. An attempt to seek help leads a few of the travelers to a house in the woods where a twisted toymaker with a mystical snow globe is hell bent on playing deadly games with a group of people just trying to get home for the holidays. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launched in 2018 the list brings together brilliant new authors and the more established; the award winners, and exciting, original voices.

### **Snowball Fight!**

This unauthorized companion to George Orwell's Animal Farm is a controversial parable about September 11th by one of fiction's most inventive and provocative writers. Written in 14 days shortly after the September 11th attacks, Snowball's Chance is an outrageous and unauthorized companion to George Orwell's Animal Farm, in which exiled pig Snowball returns to the farm, takes charge, and implements a new world order of untrammelled capitalism. Orwell's "All animals are equal, but some animals are more equal than others" has morphed into the new rallying cry: "All animals are born equal—what they become is their own affair." A brilliant political satire and literary parody, John Reed's Snowball's Chance caused an uproar on publication in 2002, denounced by Christopher Hitchens, and barely dodging a lawsuit from the Orwell estate. Now, a decade later, with America in wars on many fronts, readers can judge anew the visionary truth of Reed's satirical masterpiece.

### **Snowballs For Severance**

A true to life account of a patronage-fueled political machine and one man's battle to overthrow the powers that be, risking destruction of career, family, and even death along the way.

### **Crescent City Snow**

The Snarkiest Sci-Fi Series in the Galaxy is Back! After saving an alien race and its god from a sentient zombie virus, Cal Carver and the crew of the Dread Ship Shatner are feeling pretty pleased with themselves. Unfortunately, the creator of the zombie virus is out for revenge, and has recruited the galaxy's deadliest - and oldest - assassin, Lady Vajazzle, to hunt Space Team down. But when Vajazzle discovers the crew is under the protection of a wolf-like species known as the Greyx, she is forced to implement a Plan B so diabolical it threatens to plunge the entire star system into chaos. With time running out, Cal must find a way to outmaneuver and outgun the galaxy's greatest killer before she murders his friends, butchers the Greyx, and buys the whole galaxy a one-way ticket to total annihilation. Featuring murderous senior citizens, a moon of

death, and a pointy stick that could change the fate of the universe, *Space Team: The Wrath of Vajazzle* is the second relentlessly funny science fiction book in the bestselling *Space Team* series by award-winning author, Barry J. Hutchison.

### **Snowball**

*Crescent City Snow* is part guidebook, part diary, and part biography of fifty snowball stands and their customers in the greater New Orleans area. Keep a copy of *Crescent City Snow* in the car for when you want to try a new place, and use the table in the back to record your own observations. From the Introduction: "Now that I'm older, my favorite thing about snowballs is that they are icy, sweet tokens of affection. You can show your feelings for someone better with a snowball than you can with a card. Think of how you felt when a friend brought you a snowball to the hospital, like my friend Erin Johnson did for me? Or when your grandfather picked you up from summer camp and took you for a surprise one? How about when you were on a date and the person you were with remembered what flavor you liked and how you liked it dressed? Or when your mom jugged your snowball for you and sipped a little juice out of it so you wouldn't waste any? Moments like that, I treasure. They are what make

### **Snowball's Chance**

### **Snowball in a Blizzard**

Seven fifth-graders at Snow Hill School in Connecticut relate how their lives are changed for the better by "rookie teacher" Mr. Terupt.

### **Snowball's Great Adventure**

There's a running joke among radiologists: finding a tumor in a mammogram is akin to finding a snowball in a blizzard. A bit of medical gallows humor, this simile illustrates the difficulties of finding signals (the snowball) against a background of noise (the blizzard). Doctors are faced with similar difficulties every day when sifting through piles of data from blood tests to X-rays to endless lists of patient symptoms. Diagnoses are often just educated guesses, and prognoses less certain still. There is a significant amount of uncertainty in the daily practice of medicine, resulting in confusion and potentially deadly complications. Dr. Steven Hatch argues that instead of ignoring this uncertainty, we should embrace it. By digging deeply into a number of rancorous controversies, from breast cancer screening to blood pressure management, Hatch shows us how medicine can fail—sometimes spectacularly—when patients and doctors alike place too much faith in modern medical

technology. The key to good health might lie in the ability to recognize the hype created by so many medical reports, sense when to push a physician for more testing, or resist a physician's enthusiasm when unnecessary tests or treatments are being offered. Both humbling and empowering, *Snowball in a Blizzard* lays bare the inescapable murkiness that permeates the theory and practice of modern medicine. Essential reading for physicians and patients alike, this book shows how, by recognizing rather than denying that uncertainty, we can all make better health decisions.

### **Alone on the Wall (Expanded edition)**

THE SEQUEL TO THE NEW YORK TIMES BESTSELLER *WHATEVER YOU SAY I AM*, CHRONICLING THE PAST TWENTY YEARS OF RAPPER EMINEM'S LIFE, BASED ON EXCLUSIVE INTERVIEWS WITH THE ARTIST, HIS FRIENDS, AND ASSOCIATES "A passionate look at the Detroit rapper's music . . . an expert and thoughtful assessment." - Booklist In 1999, a former dishwasher from Detroit named Marshall Bruce Mathers III became the most controversial and polarizing musical artist in the world. He was an outlier, a white artist creating viable art in a black medium, telling stories with such verbal dexterity, nimble wit, and shocking honesty that his music and persona resonated universally. In short, Eminem changed the landscape of pop culture as we knew it. In 2006, at the height of his fame and one of the biggest-selling artists in music history, Eminem all but disappeared. Beset by nonstop controversy, bewildering international fame, a debilitating drug problem, and personal tragedy, he became reclusive, withdrawing to his Detroit-area compound. He struggled with weight gain and an addiction to prescription pills that nearly took his life. Over the next five years, Eminem got sober, relapsed, then finally got and stayed clean with the help of his unlikely friend and supporter, Elton John. He then triumphantly returned to a very different landscape, yet continued his streak of number one albums and multiplatinum singles. *Not Afraid* picks up where rock journalist Anthony Bozza's bestselling *Whatever You Say I Am* left off. Capturing Eminem's toughest years in his own words, as well the insights of his closest friends and creative collaborators, this book chronicles the musical, personal, and spiritual growth of one of hip-hop's most enduring and enigmatic figures.

### **Not a Snowball's Chance**

One wintry day in 1983, alongside other street sellers in the East Village, David Hammons peddled snowballs of various sizes. He had neatly laid them out in graduated rows and spent the day acting as obliging salesman. He called the evanescent and unannounced street action *Bliz-aard Ball Sale*, thus inscribing it into a body of work that, from the late 1960s to the present, has used a lexicon of ephemeral actions and self-consciously "black" materials to comment on the nature of the artwork, the art world, and race in America. And although *Bliz-aard Ball Sale* has been frequently cited and is increasingly influential, it has long been known only through a mix of eyewitness rumors and a handful of photographs. Its details were as elusive as the artist himself; even its exact date was unrecorded. Like so much of the artist's work, it was

conceived, it seems, to slip between our fingers -- to trouble the grasp of the market, as much as of history and knowability. In this engaging study, Elena Filipovic collects a vast oral history of the ephemeral action, uncovering rare images and documents, and giving us singular insight into an artist who made an art of making himself difficult to find. And through it, she reveals Bliz-aard Ball Sale to be the backbone of a radical artistic oeuvre that transforms such notions as "art," "commodity," "performance," and even "race" into categories that shift and dissolve, much like slowly melting snowballs.

### **Space Team: The Wrath of Vajazzle**

It is necessary in every artistic field to "set up shop" with great artists, to learn from them, to imitate their style, and then, after mastering the tradition, to develop one's own style. "A Creative Writer's Workshop" was an exploration of this method of learning. Before each of the three major writing assignments of the semester, most of which are contained within this volume, we read and discussed exemplary works of creative writing, with the hope that we would develop some understanding of what beautiful writing looks and sounds like. With the prose of Flannery O'Connor, James Joyce and G.K. Chesterton fresh in our minds, we set out to produce works that could, in some small way, draw upon our new-found understanding of the art of writing. Whether we were successful in this endeavor is for you to decide, but we hope you will find enjoyment in our efforts.

### **The Luckiest Snowball**

The only book to document artist Andy Goldsworthy's most astonishing & largest ephemeral work to date -- thirteen huge snowballs, each weighing about a ton -- removed from the wilderness & placed on the streets of London in a unique symbolic confrontation.

### **Santa Calls**

Even in a small town the drama is larger than life Cleo Quinn doesn't have the greatest track record when it comes to men, but now Will's come along. Handsome and attentive, he could be her Mr Right. Things are definitely looking up for Cleo apart from one small problem with a rather large ego. Johnny LaVenture, sculptor extraordinaire and her personal childhood nemesis, is back in Channing's Hill and tormenting her as if he'd never been away. Meanwhile Cleo's sister Abbie has a problem of her own-husband Tom has become distant and withdrawn, and she's determined to find out why. But will the shocking truth mean the end of their idyllically happy marriage? The sisters are about to discover that the past can come back to haunt you, and that love can flourish in the unlikeliest of places Praise for Jill Mansell: "Pick this up at your peril: you won't get a thing done till it's finished." -Heat Magazine "Witty and charming, this easygoing tale is full of twists that make it

hard to put down." -Woman Magazine "Mansell knows her craft and delivers a finely tuned romantic comedy." -Kirkus "A fast pace and fun writing make the story fly by." -Publishers Weekly

### **Old Moorhen's Shredded Sporan**

While a family visits Grandma for the holidays, an unruly group of forest animals takes up residency in the empty home sparking a tradition they will honor for years to come.

### **Among the Hidden**

### **Midsummer Snowballs**

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

### **The Night Before the Snow Day**

The most terrifying events in history are brought vividly to life in this New York Times bestselling series! Ten-year-old George Calder can't believe his luck -- he and his little sister, Phoebe, are on the famous Titanic, crossing the ocean with their Aunt Daisy. The ship is full of exciting places to explore, but when George ventures into the first class storage cabin, a terrible boom shakes the entire boat. Suddenly, water is everywhere, and George's life changes forever. Lauren Tarshis brings history's most exciting and terrifying events to life in this New York Times bestselling series. Readers will be transported by stories of amazing kids and how they survived!

### **Comitatus: An Anthology of Creative Compositions**

Another tongue - in - cheek romp for our intrepid decrepit heroes. Lady Amanda Golightly and her housemate Hugo Cholmondeley - Crichton - Crump return from their visit to Scotland to find a letter informing them that Hugo's sister will be arriving the following day for a month's visit, which sours Lady A's mood as Tabitha constantly bullied her at school. Her manservant's announcement that he is now betrothed to Enid Tweedie, sort of friend and general gopher for his employer, has already unsettled her. If that wasn't enough to cope with, it appears that, while they were away, the security of Belchester Towers had been breached and there had been thefts. To top it all, somebody started systematically killing off the domestic staff! Enter Detective Inspector Moody and Detective Sergeant Glenister, and all hell breaks loose!

### **Snowball's Chance**

In the heart of the Bible belt, only one thing could drive folks to set aside the good Lord's commandment to love thy neighbor—one of the state's longest and most combative high-school football rivalries. Located about 25 miles west of Chattanooga, hard by the Alabama state line and in an area with more pride than prosperity, the level of football achievement at Marion County and South Pittsburg—separated by just eight miles—has fueled the rivalry's intensity for nearly a century. South Pittsburg is the only school in the state that has played for a state championship in all six decades that Tennessee has held a playoff system, while Marion County once reeled off a streak of 56-1 that included four state titles in five years. The proximity and pride of the communities is what energizes the atmosphere of the games. Familiarity truly does breed contempt across Eight Hateful Miles.

### **The Frog at the Window**

Philadelphia: The birthplace of our nation, the City of Brotherly Love, cheesesteaks, soft pretzels, Rocky, and snowballs? That's right. The national media hardly utters a sentence about Philly's tough but passionate sports fans without mentioning how Santa Claus was once booed and pelted with snowballs. In fact, it doesn't seem that anybody outside the Tri-State area can put that story and others to rest, even though this happened over 40 years ago. No matter what transpires, it seems that the national perspective about our sports community is set in stone. It's almost as if there's some kind of secret handbook used to perpetuate these negative stereotypes about our fans. Luckily, the guys at Philly2Philly.com managed to get a hold of this handbook with "A Snowball's Chance," and we're firing back. Join us as we debate, discuss and defend some of Philadelphia sports history's most dubious moments. You'll read our passionate but fair takes on: The Santa Claus incident-with a first-hand account from Santa himself, Frank Olivo The J.D. Drew incident, from the perspective of broadcasting legend Dan Baker Why Philly fans never recognized the genius of Andy Reid and much more! You'll also hear from: Philadelphia's athletes who have made the Tri-State area their permanent home Philly's legendary broadcasting voices Brad Lidge, one of only two Philadelphia Phillies pitchers to close a World Series Championship for the franchise.

We're definitely no angels in Philly, but A Snowball's Chance will absolutely shed some much needed positive light on perhaps the most notorious and unfairly maligned fan base on the planet. Philly2Philly.com has become one of the most personalized sites in the Philadelphia area. Visit us at [www.philly2philly.com](http://www.philly2philly.com) Facebook: [www.facebook.com/philly2philly](http://www.facebook.com/philly2philly) Twitter: @philly2philly

### **Red Hot Santa**

Here are revealed a snowball's chances in each of the circles of Hell.

### **Snowball's Chance**

Mo Bunnell's comprehensive system will help you win more clients, build stronger relationships, and bring in more business. If you're good at doing something, and you need to connect with paying clients in order to keep doing it, this book is for you. With The Snowball System, you will not only succeed at growing your business, you'll learn to enjoy doing the activities that drive that growth. You'll be happier, and so will your clients.

### **Snowball's Christmas**

A boy makes a snowball and is about to throw it when he hears "Stop! . . . Let's do something else." So the boy and the snowball make a snow angel, build a snow fort, and make a snowman instead. The boy decides to take the snowball home. When the snowball starts to melt, the boy rescues it by putting it in the freezer, where the snowball meets some very nice frozen foods and a tray of ice cubes too. The snowball meets flowers and butterflies in spring, sea and sand in summer, and apples and colorful leaves in fall. This is a great read-aloud. Children will enjoy shouting the refrain "Help! I'm melting!" There is back matter about the seasons and the three states of water.

### **Not Afraid**

The only book devoted solely to chronicling the historic VIII Olympic Winter Games at Squaw Valley and Lake Tahoe.

## **Snowballs**

Snow day! School's closed! And somewhere out there, a snowball fight is waiting to happen! Comedian and future Tonight Show host Jimmy Fallon brings the high action and high comedy of winter's most riotous kid rite of passage to life in brisk, uproarious verse. Snow bunnies and Fallon fans of all ages will recognize the runny noses, snowball assaults, toboggan shields, and hand-me-down snowsuits that are essential ingredients of cold-weather fun.

## **David Hammons**

It's 1938, and twelve-year-old Edith is about to move from the tiny German village she's lived in all her life to a place that seems as foreign as the moon: Chicago, Illinois. And she will be doing it alone. This dramatic and chilling novel about one girl's escape from Hitler's Germany was inspired by the experiences of the author's mother, one of twelve hundred children rescued by Americans as part of the One Thousand Children project. This title has Common Core connections. *Is It Night or Day?* is a 2011 Bank Street - Best Children's Book of the Year.

## **Eight Hateful Miles**

Including two new chapters on Alex Honnold's free solo ascent of the iconic 3,000-foot El Capitan in Yosemite National Park. On June 3rd, 2017, Alex Honnold became the first person to free solo Yosemite's El Capitan—to scale the wall without rope, a partner, or any protective gear—completing what was described as "the greatest feat of pure rock climbing in the history of the sport" (National Geographic) and "one of the great athletic feats of any kind, ever" (New York Times). Already one of the most famous adventure athletes in the world, Honnold has now been hailed as "the greatest climber of all time" (Vertical magazine). *Alone on the Wall* recounts the most astonishing achievements of Honnold's extraordinary life and career, brimming with lessons on living fearlessly, taking risks, and maintaining focus even in the face of extreme danger. Now Honnold tells, for the first time and in his own words, the story of his 3 hours and 56 minutes on the sheer face of El Cap, which *Outside* called "the moon landing of free soloing...a generation-defining climb. Bad ass and beyond words...one of the pinnacle sporting moments of all time."

## **Snowball's Chance**

Los Angeles, 1943 Reporter Nathan Doyle had his reasons to want Phil Arlen dead, but when he sees the man's body pulled from the La Brea tar pit, he knows he'll be the prime suspect. He also knows that his life won't stand up to intense police scrutiny, so he sets out to crack the case himself. Lieutenant Matthew Spain's official inquiries soon lead him to believe that

Nathan knows more than he's saying. But that's not the only reason Matt takes notice of the handsome journalist. Matt's been drawn to men before, but he must hide his true feelings—or risk his entire career. As Nathan digs deeper, it becomes increasingly difficult to stay one step ahead of Matt Spain—and to deny his intense attraction to him. Nathan's secrets may not include murder, but has his hunt put him right in the path of the real killer? Previously published. 44,490 words

### **A Snowball's Chance**

Snowball--an aptly named bundle of feline fluff--is thankful to be spending her first Christmas in the comfort of Weber Haus, the Victorian B&B run by Miss Tilly. Emily Diemer, who cooks for the guests, dotes on Snowball, but she's not thrilled about another new arrival at the B&B: Miss Tilly's nephew, Lukas. Which is odd, because Snowball's animal instincts tell her that Lukas and Emily should definitely be friends. Everything Emily needs is in this quaint community--including, she hopes, the chance to open her own bakery one day. She doesn't think much of Lukas for leaving his aging aunt to struggle while he jets around the world taking photographs. But now that he's here, helping to spruce up the property and getting mixed up in Snowball's antics, she begins to soften a little. Until she learns what he has planned . . . Lukas is going to sell Weber Haus so that Miss Tilly can retire. But Snowball is certain that this B&B, and these people, are supposed to be her forever home. Somehow she has to get these stubborn humans to see things through the wisdom of a cat's eye and a kitten's loyal, loving heart . . . "Expertly crafted the perfect Christmas treat." --Booklist, Starred Review
