Apple's wildly popular iPad and new iPad Mini come jam-packed with features, like access to your media library from the Web, Siri voice control, and seamless Facebook and Twitter integration. But to tap your iPad's potential, you need a trustworthy owner's manual. This bestselling book shows you how to import, create, and play back media; sync and shop wirelessly; keep in touch over the Internet; and even take care of business. In addition, you'll find full coverage of iTunes 11, Apple's newly updated media manager. The important stuff you need to know: Take your media with you. Fill your iPad with music, photos, movies, TV shows, games, ebooks, and podcasts. Tap new features in email. Create VIP and Flagged mailboxes, and insert photos or videos into messages on the fly. Get online. Surf at warp speed with the streamlined Safari browser and the iPad's new ultrafast WiFi connection or 4G LTE network. Post to Facebook and Twitter. Update your status right from the iPad's Camera, Photos, Maps, and Game Center apps. Make photos public. Share selected photos over iCloud. Find your way with Maps. Get turn-by-turn directions, soar over cityscapes in 3D, and read embedded Yelp reviews. Dictate email. Speak email messages and notes and have your iPad type them up. Stream with Airplay. Take stunning photos and HD video, and wirelessly beam the results to your big-screen TV.

This is a four volume set of books. This is volume 1 "The Guide to the Spiritual Life," as it is called in this edition, although more immediately addressed to Directors of souls, may be used with advantage by all Christians who aspire to perfection. The author himself makes this remark in his Preface or Introduction. It is essentially a practical work, being intended to supply a defect which the author observed in the treatises of previous writers. These had indeed delivered excellent maxims of perfection, but not in such a form as to be immediately applicable to the needs of individual souls. F. Scaramelli has not failed to set forth the scientific, theological, basis of each branch of his subject, following herein mainly the doctrine of St Thomas; but he has always kept before his eyes the needs of those Priests who would desire to have some assistance in directing souls called to

something higher than the ordinary Christian life. Each volume contains a Skeleton outline for sermons for the Sunday s of the year, treating of the material dealt with in that particular volume. Volume 1 contains The Means to Arrive at Christian Perfection, which include the Desire of Perfection, choice of a good director, reading of spiritual books, meditation on the maxims of our faith, mental and vocal prayer, the presence of God, Confession, daily examination of conscience, frequent Communion and devotion to the Saints, especially the Blessed Virgin Mary. Volume 2 contains Hindrances in the path to Christian perfection with the means to overcome them, which include the sense of touch, sense of taste, sense of sight, sense of hearing, sense of smell, the use of the tongue in speech, ill-regulated and unmortified passions, love of worldly goods and riches, love of worldly honor and glory, attacks of the devil and scruples. Volume 3 contains the Immediate Dispositions for Christian Perfection which are found through prudence, justice, fortitude and temperance. These are also found through the virtues of religion, devotion, obedience, patience, chastity, meekness and humility. Volume 4 contains the Essence of Christian Perfection, which comes from the three Theological Virtues of Faith, Hope and Charity. Charity is divided into love of God, conformity with His holy will and love of neighbor. This volume concludes with an index to the entire set of books.

The iPad is a unique and totally revolutionary device in many ways. The iPad is a tablet computer featuring multi-touch interaction with print, video, photo, and audio multimedia, internet browsing, and runs most iPhone OS apps. The device has an LED-backlit 9.7-inch (25 cm) color LCD display and uses a virtual keyboard for text input. The iPad like the iTouch uses a Multi-touch interface that enables users to easily control the device and type with their fingers. It also includes sensors that automatically re-orient the screen display to match the orientation of the iPad, such as switching to landscape view when the user rotates the iPad 90 degrees when watching video. All iPad models include the applications Music, iWork, Videos, Photos, iTunes, iBook (providing access to the Wi-Fi Music Store and book store), Safari, YouTube, Calendar, Contacts, Clock, Calculator, and Settings. My iPad , 3/e, will include necessary coverage of iTunes and iBook to enable readers to manage the content on their iPad as well as purchase applications and customizing settings. In addition, readers will learn how to use every feature of their iPad and receive expert advice on topics like customizing, running apps, using

peripheral devices and more. This edition has been updated to include coverage on the main new features of iOS 5, including the revolutionary new iCloud, which allows users to update their iPads without having to sync up with their computer.
