For every chapter, the Study Guide will include a "Preview" and "At A Glance" sections (both provide an overview of and objectives for the chapter). Each major topic includes a progress test, comprised of multiple-choice, matching, and/or true/false questions. The Guide also contains "Graphic Organizers," which encourage students to complete graphs, charts, and flow diagrams that ultimately provide a visual synopsis of text material. End-of-chapter material includes "Something To Think About" sections, which contain thought provoking questions designed to encourage critical thinking and application of the material.

California Leave Law: A Practical Guide for Employers

Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. The Effective Police Supervision Study Guide, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals.

California Employer's Guide

The purpose of the federal Family and Medical Leave Act (FMLA) is to help employees balance the demands of work and family. But the law can be hard for employers to apply in the real world. Questions about eligibility, coverage, notice and certification requirements, administering leave, continuing benefits, and reinstatement can challenge even the most experienced managers. This book has the plain-English answers to all of your tough questions about the FMLA. It provides detailed information, real-life examples, sample forms, and other tools to help you meet your legal obligations. The 5th edition covers all the latest updates on the FMLA, including rules for same-sex couples, new cases explaining the application of the FMLA, state paid family leave laws, and more.

Every Employee's Guide to the Law

Tax Guide for Small Business (for Individuals Who Use Schedule C Or C-EZ), 2009

Labor Guide to Labor Law is a comprehensive survey of labor law in the private sector, written from the labor perspective for labor relations students and for unions and their members. The text emphasizes issues of greatest importance to unions and employees. Where the law permits a union to make certain tactical

Bookmark File PDF The Employers Guide To C O B R A Self Administration Employment Practices

choices, those choices are pointed out. Material is included on internal union matters that tend to be ignored in management texts. Bruce S. Feldacker and Michael J. Hayes cover applicable labor law principles from a union's initial organizing campaign to the mature bargaining relationship, including such subjects as the employee right to engage in protected concerted activity, the duty to bargain, labor arbitration, the use of strikes, picketing and other economic weapons in resolving a labor dispute, the duty of fair representation, internal union regulation, and employment discrimination. This book is also a useful reference and review for full-time union officers and representatives who have a working knowledge of labor law but wish to brush up on certain points as needed in their work. Both authors have extensive experience in the construction field, and they have been careful to include material on those aspects of labor law that are unique to that field. Labor Guide to Labor Law is structured to present an unbiased and comprehensive explanation of labor law principles for anyone interested in the field. Thus, labor relations educators, as well as practitioners in the field representing labor, management, or individual employees, should also find the text suitable for their use. Each chapter includes a summary, review questions and answers, a restatement of "Basic Legal principles" with citations to key cases, and a bibliography for additional research. The comprehensively revised and updated fifth edition covers new statutes, current issues, and the latest developments in labor and employment law.

A Case Manager's Study Guide

The Pearson Guide To The Scra Examination, 2/E

Employer's Guide to the Americans with Disabilities Act

When all parties involved in the construction process fully understand their roles and are able to anticipate potential points of conflict, disputes and delays will be minimised. The Employer's and Engineer's Guide to the FIDIC Conditions of Contract sets out the essential administrative requirements of a FIDIC based contract by reference to the FIDIC 1999 Red Book. The obligations and duties of the Employer and the Engineer are identified and discussed. Potential pitfalls are highlighted and likely consequences pointed out. The importance of the Employer's role in the preparation of tenders, which fully reflect his requirements and duties and obligations arising in the execution of the works, is emphasised. The key role of the Engineer in the effective administration of contracts after award is examined and commentary provided. Included in the guide are a number of appendices, including model letters which will be of value to less experienced staff (particularly those whose mother-tongue is not the English language). Engineers, quantity

Written especially for HR professionals and business people, California Employment Law: An Employer's Guide is the essential resource for avoiding the many perils and pitfalls California employers face. Comprehensively updated to address new developments, the 2019 Edition features: new independent contractor test; new harassment training requirements; class-action waivers in arbitration agreements; new rules on national origin discrimination; requirement that employees be paid for minimal preparation and concluding work; clarification of rules regarding salary history inquiries; new NLRB standards for employee conduct policies; requirements for lawful time clock rounding; rules for rest break pay for commissioned and piece-rate employees; and new rules regarding lactation breaks.

Employment Safety and Health Guide

"All employers must comply with The Uniformed Services Employment and Reemployment Rights Act (USERRA), but last year, the U.S. Department of Labor received over 1500 complaints from returning service people. The majority of cases found the employer's to be at fault. Thompson created Employer's Guide to Military Leave Compliance to help you tackle the complexities of federal regulations while streamlining and simplifying the reinstatement process."--Publisher's website.
